FOREWORD

This is the third Statement of Licensing Policy produced by Southend-on-Sea Borough Council under the Gambling Act and it forms the basis for all gambling related licensing decisions taken by the Council as the Licensing Authority over the three year period commencing on 31 January 2013.

The Gambling Act 2005 created a unified regulator for gambling in Great Britain called the Gambling Commission and also transferred all responsibilities for licensing of gambling premises from the Licensing Justices to Licensing Authorities. These Authorities are responsible for issuing a number of different permits, as well as Temporary and Occasional Use Notices.

This Policy sets out how the Council, as the Licensing Authority, will administer the legislation and decide upon applications

The Council recognises how important this sector of the entertainment industry is within the borough, and supports the development and maintenance of best practice in achieving high standards.

This Policy will be kept under review and it will be amended as and when issues arise that make change necessary. The Council will seek through the licensing process and the decisions it takes, to make Southend-on-Sea a safe and welcoming place for both residents and visitors to enjoy.

Chairman, Licensing Committee

PART A

1.0 INTRODUCTION

1.1 This Statement of Licensing Policy sets out the principles by which Southend-on-Sea Borough Council, as the Licensing Authority under the Gambling Act 2005 (referred to in this document as 'the Act'), intends to apply in discharging its functions to license premises for gambling under the Act as well as:-

- designating the body responsible for advising the Authority on the protection of children from harm;
- determining whether or not a person is an "Interested Party";
- exchanging information with the Gambling Commission and others; and
- inspecting premises and instituting court proceedings for offences committed under the Act.

2.0 THE LICENSING OBJECTIVES

2.1 In exercising most of its functions under the Act, Licensing Authorities must have regard to the Licensing Objectives as set out in Section 1 of the Act. The Licensing Objectives are:-

- Preventing gambling from being a source of crime or disorder, being associated with crime or disorder or being used to support crime;
- Ensuring that gambling is conducted in a fair and open way; and
- Protecting children and other vulnerable persons from being harmed or exploited by gambling.

3.0 DESCRIPTION OF THE DISTRICT

3.1 The County of Essex comprises 12 District and 2 Unitary Authorities. Southend-on-Sea Borough Council is one of those Unitary Authorities. The number of premises licensed under the Act has seen steady growth since the legislation came into force. A map of the area is attached to this Policy document at Annex 'D'

4.0 RESPONSIBILITIES UNDER THE ACT

4.1 The Act introduced a licensing regime for gambling, to be conducted by the Gambling Commission and by Licensing Authorities, depending on the matter to be licensed.

4.2 Southend-on-Sea Borough Council is the Licensing Authority for the area shown on the attached map, whose responsibilities must be discharged by the Licensing Committee created under Section 6 of the Licensing Act 2003.

4.3 The Gambling Commission is responsible for issuing Operating and Personal Licences to persons and organisations who:-

- operate a casino;
- provide facilities for playing bingo or for pool betting;
- provide betting or act as intermediaries for betting.
- make gaming machines available for use in Adult Gaming Centres and Family Entertainment Centres;
- manufacture, supply, install, adapt, maintain or repair gaming machines;
- manufacture, supply, install or adapt gambling machine software; or
- promote a lottery.

4.4 The Licensing Authority is responsible for licensing premises in which gambling takes place. All types of gambling are included, other than spread betting and the National Lottery. It is also responsible for issuing permits for premises with gaming machines and for receiving notices from operators wishing to use unlicensed premises for gambling on a temporary basis. The Licensing Authority has additional responsibility for the registration of certain types of exempt Small Society Lotteries.

4.5 The Licensing Authority cannot become involved in the moral issues of gambling and must aim to permit the use of premises for gambling in so far as it thinks it :-

- a) in accordance with any relevant Code of Practice under Section 24 of the Act;
- b) in accordance with any relevant Guidance issued by the Gambling Commission under Section 25;
- c) reasonably consistent with the Licensing Objectives (Subject to paragraphs a) and b))and
- d) in accordance with the Licensing Authority's Statement of Licensing Policy (subject to paragraphs a) and c)).

Before the Licensing Authority can determine an application for a Premises Licence, an Operating and Personal Licence, or both, must have been obtained from the Gambling Commission.

5.0 STATEMENT OF LICENSING POLICY

5.1 The Licensing Authority is required by the Act to publish a Statement of Licensing Policy which contains the principles it proposes to apply when exercising its functions under the Act.

5.2 This Policy must be reviewed and published every three years. The Policy must also be reviewed from 'time to time' and any proposed amendments and/or additions must be subject to fresh consultation. The 'new' Policy must then be published.

5.3. This Policy takes effect on 31 January 2013, and replaces the policy previously in force.

6.0 CONSULTATION

6.1 In producing this Policy, the Licensing Authority consulted widely before finalising and publishing it. In addition to the statutory consultees (listed below), the Council chose to

consult with additional local groups and individuals. A full list of all groups and persons consulted is provided at Annex 'A'.

6.2 The Act requires that the following parties are consulted by the Licensing Authority:-

- The Chief Officer of Police for the Authority's area;
- One or more persons who appear to the Authority to represent the interests of persons carrying on gambling businesses in the Authority's area; and
- One or more persons who appear to the Authority to represent the interests of persons who are likely to be affected by the exercise of the Authority's functions under the Act.

6.3 The other groups and people consulted were:-

- Organisations, including faith groups and voluntary organisations working with people who are problem gamblers, Primary Care Trusts and the Citizens' Advice Bureau;
- Other elements of local government;
- Businesses who are, holders of Premises Licences;
- Responsible Authorities under the Act.

6.4 Consultation took place between 30th March 2012 and 30th June 2012

7.0 APPROVAL OF POLICY

7.1 This Policy was approved at a meeting of the full Council on xxxxx and was published via its website on xxxxxx. Copies are available on request.

7.2 It should be noted that this Policy does not override the right of any person to make an application, to make representations about an application, or to apply for a review of a licence, as each case will be considered on its own merit and according to the requirements of the Act.

8.0 DECLARATION

8.1 The Licensing Authority declares that it has had regard to the Licensing Objectives, formal Guidance issued to Licensing Authorities and any responses from those consulted during the consultation process, and will adopt the Principles of Better Regulation.

8.2 The Council recognises its responsibilities under equality legislation and will monitor the impact of these statutory duties through its various corporate schemes such as the Councils Equality Policy.

9.0 RESPONSIBLE AUTHORITIES

9.1 A full list of the Responsible Authorities designated under the Act and their contact details are given in Annex 'B'. It should be noted that under the Act, the Licensing Authority itself is designated as a Responsible Authority.

9.2 The Licensing Authority is required to designate, in writing, a body that is competent to advise it about the protection of children from harm. In making this designation the following principles have been applied:-

- the competency of the body to advise the Licensing Authority;
- the need for the body to be responsible for an area covering the whole of the Licensing Authority's area; and

- the need for the body to be answerable to democratically elected persons rather than any particular interest group etc.

9.3 In accordance with the Gambling Commission's Guidance to Local Authorities, the Licensing Authority designates Southend-on-Sea Borough Council's Department of Children and Learning.

10.0 INTERESTED PARTIES

10.1 Interested Parties can make representations about licensing applications or apply for a review of an existing licence. An Interested Party is defined in the Act as follows:-

'... a person is an interested party in relation to a premises licence or in relation to an application for or in respect of a premises if, in the opinion of the Licensing Authority which issues the licence or to which the application is made, the person:-

- a) lives sufficiently close to the premises to be likely to be affected by the authorised activities,*
- b) has business interests that might be affected by the authorised activities, or*
- c) represents persons who satisfy paragraphs (a) or (b).'*

10.2 Interested parties can be people who are democratically elected such as councillors and Members of Parliament. Where appropriate this will include county, parish and town councillors.

Interested parties can also be trade associations, trade unions, residents' associations and tenants' associations. Providing that these people represent those living or having business interests in the area which might be affected, no specific evidence of authorisation is required.

Otherwise, the licensing authority will generally require a third party to produce some form of authorisation to speak on behalf of an interested party.

10.3 Whether a person is an interested party will be determined on a case by case basis. The types of organisations which may be considered to have business interests will be given a wide interpretation.

10.4 In determining if a person lives or has business interests sufficiently close to the premises that they are likely to be affected by the authorised activities, the Licensing Authority will consider the following factors:-

- The size of the premises;
- The nature of the premises;
- The distance of the premises from the location of the person making the representation;
- The potential impact of the premises (e.g. number of customers, routes likely to be taken by those visiting the establishment);
- The circumstances of the complaint. This does not mean the personal characteristics of the complainant but the interest of the complainant, which may be relevant to the distance from the premises;
- The catchment area of the premises (i.e. how far people travel to visit); and
- Whether the person making the representation has business interests in that catchment area that might be affected.

10.5 The Licensing Authority will decide if a representation made in respect of an application is valid based on the following factors:

- It is not frivolous or vexatious.
- It raises issues that relate to Guidance issued by the Gambling Commission.
- It raises issues that relate to this policy.
- It relates to the Licensing Objectives.

11.0 EXCHANGE OF INFORMATION

11.1 In its exchange of information with parties listed in Schedule 6 of the Act, the Licensing Authority will have regard to:-

- the provisions of the Act, which include the provision that the Data Protection Act 1998 will not be contravened;
- the Guidance issued by the Gambling Commission;
- relevant Legislation and Regulations

11.2 In accordance with Section 350 of the Gambling Act 2005, the Licensing Authority may exchange information with the following statutory bodies or individuals:

- A constable or police force
- An enforcement officer
- A licensing authority
- Her Majesty's Revenue and Customs
- The Gambling Appeal Tribunal
- The Secretary of State
- Scottish Ministers
- Any other person or body designated by the Secretary of State in accordance with the Act.

11.3 The Licensing Authority will not share any personal details unless required to do so by law.

12.0 PUBLIC REGISTER

12.1 The Licensing Authority is required to keep a public register and share information in it with the Gambling Commission and others. Regulations prescribe what information should be kept in the register. Copies of the register may be obtained on payment of a fee.

13.0 COMPLIANCE AND ENFORCEMENT

13.1 In exercising its functions with regard to the inspection of premises and to instituting criminal proceedings in respect of offences specified, the Licensing Authority will follow best practice. This requires that actions should be

- Proportionate – Intervention will only be when necessary. Remedies should be appropriate to the risk posed and costs identified and minimised.
- Accountable – The Authority must be able to justify decisions and be subject to public scrutiny.
- Consistent – Rules and standards must be joined up and implemented fairly.
- Transparent – Enforcement should be open and regulations kept simple and user friendly.
- Targeted – Enforcement should be focused on the problems and minimise side effects.

- 13.2** The Licensing Authority will endeavour to avoid duplication with other regulatory regimes, so far as is possible, and adopt a risk based inspection programme.
- 13.3** The main enforcement and compliance role of the Licensing Authority in terms of the Act, is to ensure compliance with the Premises Licence and other permissions which it authorises. The Gambling Commission is the enforcement body for Operating and Personal Licences. Concerns about the manufacture, supply or repair of gaming machines are not dealt with by the Licensing Authority but will be notified to the Gambling Commission.
- 13.4** The Licensing Authority will keep itself informed of developments as regards the work of the Better Regulation Executive in its consideration of the regulatory functions of Local Authorities, and will have regard to best practice.
- 13.5** The Licensing Authority's enforcement/compliance protocols, are available on request, as are details of the risk based approach to inspection.

PART B PREMISES LICENCES

14.0 GENERAL PRINCIPLES

- 14.1** Premises Licences are subject to the permissions/restrictions set out in the Act as well as the specific mandatory and default conditions detailed in Regulations issued by the Secretary of State. The Licensing Authority is able to exclude default conditions and also attach others, where it is thought appropriate.
- 14.2** In accordance with section 150 of the Act, premises licences can authorise the provision of facilities on:
- casino premises
 - bingo premises
 - betting premises, including tracks and premises used by betting intermediaries
 - adult gaming centre premises (for category B3, B4, C and D machines)
 - family entertainment centre premises (for category C and D machines) (note that, separate to this category, the licensing authority may issue a family entertainment centre gaming machine permit, which authorises the use of category D machines only).
- 14.3** Each case will be decided on its merits, and will depend upon the type of gambling that is proposed, as well as taking into account how the applicant proposes that the Licensing Objective concerns can be overcome.
- 14.4** The Licensing Authority is required by the Act, in making decisions about Premises Licences, to permit the use of premises for gambling so far as it thinks it:-
- a) in accordance with any relevant Code of Practice under Section 24 of the Act;
 - b) in accordance with any relevant Guidance issued by the Gambling Commission under Section 25;
 - c) reasonably consistent with the Licensing Objectives (Subject to paragraphs a) and b))and
 - d) in accordance with the Licensing Authority's Statement of Licensing Policy (subject to paragraphs a) and c)).

14.5 Definition of Premises

In the Act 'premises' is defined as including 'any place'. It is for the licensing authority (having due regard for the Gambling Commission Guidance) to determine on the merits of each application whether different parts of a building can be regarded properly as separate premises.

The Licensing Authority will pay particular attention to applications where access to the licensed premises is through other premises (which themselves may be licensed or unlicensed).

14.6 Demand

Demand is a commercial consideration and is not an issue for the Licensing Authority.

14.7 Location

Location will only be a material consideration in the context of the Licensing Objectives.

14.8 Duplication with other Regulatory Regimes

Duplication with other statutory/regulatory regimes will be avoided where possible. The Licensing Authority will not consider whether a licence application is likely to be granted Planning Permission or Building Control consent.

14.9 Licensing Objectives

Premises Licences granted must be reasonably consistent with the three Licensing Objectives. With regard to these Objectives, the following will be considered:-

- **Preventing gambling from being a source of crime or disorder, being associated with crime or disorder, or being used to support crime –**

The Licensing Authority is aware that there is a distinction between disorder and nuisance and that the prevention of nuisance is not a Licensing Objective under the Act.

Whilst the Licensing Authority is aware that the Gambling Commission takes a leading role in preventing gambling from being a source of crime, it will pay attention to the proposed location of gambling premises in terms of this Licensing Objective.

Where an area has known high levels of organised crime, the Licensing Authority will consider carefully whether gambling premises are suitable to be located there and the need for conditions, such as the provision of Door Supervisors.

- **Ensuring that gambling is conducted in a fair and open way –**

The Gambling Commission does not generally expect Licensing Authorities to be concerned with ensuring that gambling is conducted in a fair and open way.

- **Protecting children and other vulnerable persons from being harmed or exploited by gambling –**

In practice, the Objective of protecting children from being harmed or exploited by gambling often means preventing them from taking part in, or being in close proximity to, gambling.

There is no definition of the term 'vulnerable person' in the Act, but this could include people who are gambling beyond their means and people who may not be able to make informed or balanced decisions about gambling due to a mental impairment, or substance misuse of alcohol or drugs.

The Licensing Authority will consider very carefully whether applications for Premises Licences in respect of gambling premises located close to schools, centres for gambling addicts, or residential areas where there may be a high

concentration of families with children, should be granted.

14.10 Conditions

The Licensing Authority is aware that the mandatory and default conditions imposed by the Gambling Commission will normally be sufficient to regulate gambling premises. In exceptional cases where there are specific risks or problems associated with a particular locality, specific premises or class of premises the Authority may consider attaching individual conditions related to the Licensing Objectives.

Any conditions attached to Licences will be proportionate and will be:-

- relevant to the need to make the proposed premises suitable as a gambling facility;
- directly related to the premises and the type of licence applied for;
- fairly and reasonably related to the scale and type of premises; and
- reasonable in all other respects.

In addition, the Licensing Authority will examine how applicants propose to address the Licensing Objectives. In considering applications the Licensing Authority will particularly take into account the following, if deemed appropriate:-

- Proof of age schemes;
- Closed Circuit Television;
- Door Supervisors;
- Supervision of entrances/machine areas;
- Physical separation of areas;
- Location of entrances;
- Notices and signage;
- Specific opening hours; and
- With particular regard to vulnerable persons, measures such as the use of self-barring schemes, provision of information, leaflets, helpline numbers for organisations such as Gamcare;

14.11 It is recognised that there are conditions which the Licensing Authority cannot attach to Premises Licences. These are:-

- any conditions on the Premises Licence which make it impossible to comply with an Operating Licence condition;
- conditions relating to gaming machine categories, numbers, or method of operation;
- conditions which provide that membership of a club or body be required (the Act specifically removes the membership requirement for casino and bingo clubs and this provision prevents it being reinstated);
- conditions in relation to stakes, fees, and the winning of prizes.

14.12 Credit

Credit facilities are prohibited from being provided in casinos and bingo licensed premises. Cash machines (ATM's) may be installed in such premises but the Licensing Authority may apply conditions as to where they are sited.

14.13 Betting Machines [See Annex C for definition]

In relation to Casinos, Betting Premises and Tracks, the Licensing Authority can restrict the number of betting machines, their nature and the circumstances in which they are made available by attaching a licence condition to a Betting Premises Licence or to a Casino Premises Licence (*where betting is permitted in the Casino*).

14.14 When considering whether to impose a condition to restrict the number of betting machines in particular premises, the Licensing Authority, among other things, shall take into account:-

- the size of the premises;
- the number of counter positions available for person to person transactions; and
- the ability of staff to monitor the use of the machines by children and young persons or by vulnerable persons.

14.15 In deciding whether to impose conditions to limit the number of betting machines, each application will be considered on its own merit and account will be taken of Codes of Practice or Guidance issued under the Act.

15.0 PROVISIONAL STATEMENTS

15.1 An application for a provisional statement may be made in respect of premises which the applicant

- expects to be constructed
- expects to be altered
- expects to acquire a right to occupy.

The applicant should refer to the Act and the detailed information provided in the Guidance

16.0 REVIEWS

16.1 Applications for a Review of a Premises Licence may be made by Responsible Authorities and Interested Parties.

16.2 It is for the Licensing Authority to decide whether the review is to be carried out. This decision will generally be on the basis of whether the request for the review is relevant to the matters listed below:-

- Whether the grounds for the request raises issues relevant to the principles to be applied by the Licensing Authority and set out within the Licensing Authority Statement of Policy;
- Whether the grounds for the request are frivolous or vexatious.
- Whether the grounds for the request would certainly not cause the Licensing Authority to alter/revoke/suspend the Premises Licence;
- Whether the grounds for the request are substantially the same as previous representations or requests for a review.
- In accordance with any relevant codes of practice issued by the Gambling Commission.
- In accordance with any relevant guidance issued by the Gambling Commission.

19.4 Betting Machines

Conditions may be imposed, in accordance with paragraphs 14.13, 14.14 and 14.15 above.

19.5 In deciding whether to impose conditions to limit the number of betting machines, each application will be on its own merits and account will be taken of Codes of Practice or Guidance issued under the Act.

19.6 Credit

Credit facilities are prohibited in casinos, however, this does not prevent the installation of cash dispensers (ATMs) on the premises, although the Licensing Authority may attach conditions as to the siting of such machines.

23.0 TRAVELLING FAIRS

23.1 The facilities for gambling (being category D machines and/or equal chance prize gaming without a permit) must amount to no more than an ancillary amusement at the fair. The Licensing Authority will determine whether this requirement is being met.

PART C PERMITS

24.0 The Act introduces a range of permits for gambling which are granted by Licensing Authorities. Permits are required when premises provide a gambling facility but either the stakes and prizes are very low or gambling is not the main function of the premises. The permits regulate gambling and the use of gaming machines in a specific premises. With the exception of limiting machine numbers on Licensed Premises Gaming Machine permits, the Licensing Authority may only grant or reject an application for a permit. No conditions may be added.

The suitability of such policies and procedures will be considered on their merits, however, they may include:-

- A basic Criminal Records Bureau or equivalent criminal record check for the applicant and the person having the day to day control of the premises;

- How the applicant proposes to ensure that children will be protected from harm whilst on the premises;
- Training covering how staff would deal with:-
 - unsupervised, very young children being on the premises,

26.3 Premises restricted to selling alcohol only with food, will not be able to have gaming machines or apply for a Permit.

26.4 Where an application for more than two gaming machines is received, the Licensing Authority will specifically have regard to the need to protect children and vulnerable persons from harm or being exploited by gambling and will expect the applicant to satisfy the Authority that there will be sufficient measures to ensure that under 18 year olds do not have access to the adult only machines. Measures will cover such issues as:-

- Adult machines being in sight of the bar;
- Adult machines being in sight of staff who will monitor that the machines are not being used by those under 18;

- A basic Criminal Records Bureau or equivalent criminal record check for the applicant and the person having the day to day control of the premises.
- Proof of age schemes
- How the applicant proposes to ensure that children will be protected from harm whilst on the premises.

29.2 A TUN may only be granted to a person or company holding an Operating Licence relevant to the temporary use of the premises. Regulations issued by the Secretary of State prescribe the activities to be covered. At present a Temporary Use Notice can only be issued for equal chance gaming.

29.3 For the purposes of a TUN, a set of premises is the subject of a TUN if any part of the premises is the subject of the Notice. This prevents one large premises from having a TUN in effect for more than 21 days per year by giving a Notice in respect of different parts.

29.4 The definition of a "set of premises" will be a question of fact in the particular circumstances of each Notice that is given. In considering whether a place falls within the definition of "a

set of premises", the Licensing Authority will consider, amongst other things, the ownership/occupation and control of the premises.

29.5 The Licensing Authority will object to Notices where it appears that their effect would be to permit regular gambling in a place that could be described as one set of premises.
