PREVENTION OF FRAUD & CORRUPTION

We are committed to the highest standards of propriety in the delivery of our services ensuring the proper stewardship of public funds.

We would like to encourage firms that want to work with us to adopt this principal as well.

To support this commitment, we operate within the requirements of our Anti-Fraud and Corruption and Whistle Blowing Policies, (also known as the Confidential Reporting Policy).

When working for us, we would expect your company and employees to do the same.

The Whistle blowing Policy sets out how to bring concerns to our attention and details the protection afforded to both companies and individuals in such circumstances.

Further information about these policies can be found at:

http://www.southend.gov.uk

If concerns arise during either a contract letting exercise or the operation of a contract, you should let us know contacting:

Head of Internal Audit o: 01702 534015; or The Council’s report line on: 01702 212215
