The Council Chamber is on the first floor of the Town Hall, there is no need to queue at reception.

Parking - There is no parking at the Town Hall, however there are various off-street car parks around the town centre.

Luton Train Station - Walking instructions to get to the Town Hall from the station are as follows:

Come out of the entrance from Platform 5 (northbound fast line) and head towards the town centre. Walk straight across between the entrance to the University flats and ground level car park (there is a slight divert, crossing at new bus interchange which is currently under construction) into Bute Street. Straight across at the signals at Guildford Street then cross the bus only road at the back of The Mall shopping centre. Go up the escalator straight across the shopping centre and out of the doors the other side, between Lloyds Bank and Don Millers. When you get into the pedestrianised George Street turn right and the Town Hall is the building facing you. Go to the left hand-side of the building past the memorial and the main entrance to the Town Hall is about 50 yards up on the right.
