A Guide to Allotments in Southend-on-Sea

ALLOTMENTS IN LEIGH-ON-SEA

Leigh Town Council have their own sites and they are to be applied for separately:

- Marshall Close
- Manchester Drive (Society Site)
- Leigh Allotments

To rent a plot on one of the above sites please contact Leigh Town Council on 01702 716288 or email council@leighonseatowncouncil.gov.uk.

Please note: All residents of Southend are permitted to have allotments on these sites however priority is given to residents in the Leigh Town Council.
WHY HAVE AN ALLOTMENT?

In a recent survey from the National Allotment Society and Leisure Gardeners, nearly every person said their love of allotment gardening comes from the fresh air, home grown produce, healthy lifestyle and like-minded people this activity offers.

If managed properly, an allotment can produce enough food to supplement a family’s weekly shop, with fresh fruit and vegetables over the year. This does require hard work and dedication but even the smallest crop grown, is money saved from the supermarket.
