SCHEDULE 3 - PERMIT ELIGIBILITY

Residents Permit

Vehicles eligible for a Resident Parking Permit must be registered to a resident at an address within the Permit Parking Places (PPP) Zone. Proof of resident's particulars will need to be provided on application.

Residents having company vehicles and lease vehicles will require proof from their company/agent supporting the requirement for the vehicle to be parked at their address.

Visitors Permit

During the PPP hours of operation visitors vehicles displaying a valid visitors parking permit will be authorised to park in the designated residents parking area.

All residents in the area are eligible to receive visitor permits even if they do not buy a residents permit.

Carers Permit

A Carer’s Permit can be issued to a property (address) within the zone, but it must meet the following criteria.

The applicant must provide a letter from their doctor or care company, on their headed paper, stating that the applicant must receive either 24 hour care or continuous/daily care at their address due to their condition (the type of condition or disability need not be disclosed).

The letter replaces the need to provide a vehicle V5C (logbook) and insurance documents. The applicant must also send proof of residency, e.g. a utility or Council Tax bill etc, showing their name and address.

A Carer’s Permit is not registered to a particular vehicle and may be used by different carers visiting the property concerned. Only one Carer’s Permit can be issued to a property (address) and any property having a Carer’s Permit is ineligible to apply for a Resident’s Permit. A household having a carer’s permit can still apply for visitors permits.

Permit Parking Places (PPP) parking permits are only valid for Rochford Road Service Roads (Zone RR) and would not be eligible for use elsewhere within the Borough.

All vehicles parked in the area during the hours of operation must display a valid permit.
