Southend-on-Sea Borough Council is a Unitary Local Authority located in Southend-on-Sea in Essex. We serve a population of 181,800 residents (ONS July 2018).

Our gross expenditure is approximately £375m a year and we employ around 1,638 staff to provide a huge range of services to meet the needs of local people.

Southend on Sea Borough Council has a 2050 ambition, a collective vision for the future of our Borough and a strong sense of purpose.

The ambition is grounded in the values of Southenders under the five themes, and 23 outcomes to be achieved by 2023 set out below.

There is a tangible sense of pride in the place and local people are actively, and knowledgeably, talking up Southend.

The variety & quality of our outstanding cultural and leisure offer has increased and we have become the first choice English coastal destination for visitors.

We have invested in protecting & nurturing our coastline, which continues to be our much loved and best used asset.

Our streets & public spaces are clean and inviting

People in all parts of the borough feel safe and secure at all times.

Southenders are remaining well enough to enjoy fulfilling lives, throughout their lives.

We are well on our way to ensuring that everyone has a home that meets their needs.

We are all effective at protecting and improving the quality of life for the most vulnerable in our community.

We act as a green city with outstanding examples of energy efficient and carbon neutral buildings, green open spaces, streets, transport and recycling.
Even more Southenders agree that people from different backgrounds are valued and get on well together.

The benefits of community connection are evident as more people come together to help, support and spend time with each other.

Public services are routinely designed, and sometimes, delivered, with their users to best meet their needs.

A range of initiatives help communities come together to enhance their neighbourhood and environment.

More people have active lifestyles and there are significantly fewer people who do not engage in any physical activity.

The Local Plan is setting an exciting planning framework for the Borough.

We have a fast evolving, re-imagined and thriving town centre, with an inviting mix of shops, homes, culture & leisure opportunities.

Our children are school ready and life ready and our workforce is skilled and job ready.

Key regeneration schemes, such as Queensway, seafront developments and the Airport business Park are underway and bringing prosperity and job opportunities to the Borough.

Southend is a place that is renowned for its creative industries, where new businesses thrive and where established employers and others invest for the long term.
It is easier for residents, visitors and people who work here to get around the Borough.

People have a wide choice of transport options.

Working with children and vulnerable adults
You are responsible for being fully aware of issues about the protection of children and vulnerable adults. You should consider any possible risks involved in the funded activities and take appropriate action to protect everyone involved. If you are an organisation, you must have a written policy and a set of procedures to protect children and vulnerable adults. If your project involves freelance individuals working with children and vulnerable adults, it is the responsibility of the host organisation, employing body or project lead to ensure that all relevant project leaders and staff have been checked through the Disclosure & Barring Service (DBS) procedures. For further advice and information refer to the Disclosure & Barring Service website – https://www.gov.uk/government/organisations/disclosure-and-barring-service or telephone: 0870 90 90 811 (8am-6pm weekdays and 10am-5pm Saturdays)
Insurance

Insurance is essential if you are working with the public, in which case you need to have Public Liability Insurance for a minimum of £5 million. This will insure against damage to ‘third parties’ - the general public – caused through the negligence of someone acting with the organisation’s authority, including the action of your volunteers.

When you use contractors, or invite other organisations to take part in your events, make sure that they have the necessary insurance in place as well. This will safeguard you, your employees, volunteers and the public.

Insurance is a complex area, so we advise you do not leave it to the last minute to organise your cover and to ensure that you are suitably insured before work commences. In theory, insurance brokers can access the whole insurance market to find the best cover for you; however, you might want to explore what other cultural organisations have organised for themselves before you decide what is right for you and your organisation.

Risk Assessments:

You are responsible for making sure the appropriate risk assessments have been undertaken to ensure the safety of the public and staff involved.

Event licences

The Licensing Act (November 2005) means that regulated entertainments are required to be licensed. Please contact your local council Public Licensing Department for advice and information. Please remember to factor adequate time into your project planning - you may need to give up to 90 days notice.

Premises Licence:

This replaces the Public Entertainment Licences (PEL). A Premises Licence will be needed in order to hold public entertainment, e.g. film shows, indoor sporting events, performances of live or recorded music, dance performances or plays and permission to use the building for the sale of alcohol.
A Premises Licence can include the sale of alcohol. In this case the applicant must name a Premises Supervisor who is the holder of a National Certificate for Personal Licence Holders to supervise the serving of alcohol. You will need to confirm who this is when you book your event space.

The facility for voluntary organisations to obtain Occasional Permissions to sell alcohol is withdrawn, as is the facility for publicans to obtain Occasional Licences to sell alcohol on the premises and for interval bars under stage play licences.

**Temporary Event Notice (TEN):**

A Temporary Event Notice is required if you intend to carry out a licensable activity on unlicensed premises or wish to operate outside the terms of your existing Premises Licence or Club Premises Licence.

**Licensable Activity:**
- The sale or supply of alcohol
- Regulated entertainment (i.e. music, singing or dancing)
- Provisions of late night refreshment (hot food or drink between the hours of 2300 and 0500)

For up to date information on the Licensing Act contact your local council Public Licensing Department or refer to the Department for Culture, Media and Sport’s website: [http://www.culture.gov.uk/about_us/tourismleisure/licensing_act.htm](http://www.culture.gov.uk/about_us/tourismleisure/licensing_act.htm)

**Road Closures:**

If a road closure is necessary, 5 weeks minimum notice is usually required for a minor road closure.

**Evaluation**

Evaluation is an essential part of developing and delivering a cultural project, and all who receive funding from the Southend Culture & Wellbeing Small Grants scheme will have to complete a compulsory evaluation which is supplied when the grant is awarded. Failure to complete the specified evaluation within specified timescales will result in future instalments being forfeited and the applicant will be barred for all future applications to this grants scheme.

**Marketing**

All successful applicants are to brand their projects with Southend on Sea Borough Council’s branding and logos. Those projects targeting physical inactivity will also need to ensure they use the ActiveEssex & ActiveSouthend branding – all logos will be supplied with the award letter.
