

CCG

What is a CCG?

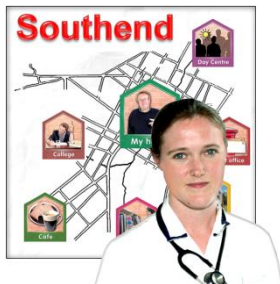

This is a leaflet about the CCGs. It will tell you some of the things it does.

CCG

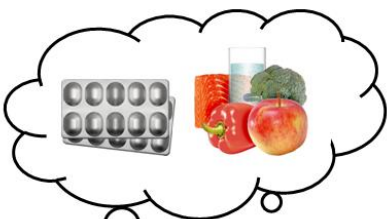

CCG stands for Clinical Commissioning Group.

A **CCG** is a group of doctors and medical people.

There is a CCG in Southend.

They plan what health services there are in Southend.

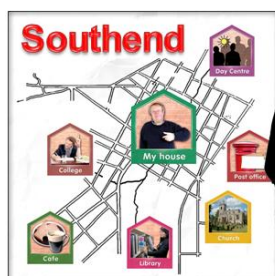

Doctors and medical people know what people need for their health.

That's why they decide what health services there are in Southend.

CCGs are part of the **NHS**.

NHS stands for the National Health Service.

They also decide what services there are for

- People with learning disabilities
- People with mental health problems

Someone from the CCG goes to the Health and Wellbeing Board.

To find out about the Health and Wellbeing Board read our leaflet. It is called What is a Health and Wellbeing Board?
