2011 CENSUS INFORMATION BRIEFING – 27th November 2012

The Office for National Statistics released on 23rd November the first element of ward level population estimates from the 2011 Census.

This release includes the following elements:

- resident population estimates by five year age bands for wards
- estimates of number of occupied households for wards

Further releases are due:

- **11th December** – Key statistics at local authority level (this includes ethnic group, religion, household language, country of birth and occupation). This is slightly later than the originally anticipated November release date.
- **30th January** – Key statistics at sub-ward, ward and parliamentary constituency.
- Further analysis is due to be released on a rolling programme between February 2012 and October 2013

The following table summarises the estimates for each Ward:
