

SOUTHEND-ON-SEA BOROUGH COUNCIL

**(WELLS AVENUE RESIDENTS PERMIT PARKING SCHEME) (ZONE WA)
(PROVISION OF RESIDENTS PERMIT PARKING PLACES)
ORDER 2019**

Road Traffic Regulation Act 1984

STATEMENT OF REASONS

Southend-on-Sea Borough Council proposes to make the above-named Order

This follows on to concerns that have been raised by residents that all day non-resident parking is causing parking problems for residents and their visitors and access issues.

The proposal seeks to prevent parking to allow parking space for residents and visitors to their homes. The proposed permit parking scheme will operate 24 hours daily inclusive any day not being Christmas Day or Good Friday.
