

Southend Learning Disability Partnership Board

Minutes from the meeting on 23rd October 2012

| | |
|--------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>Present:</p>  | <p>Southend Borough Council, Primary Care Trust (PCT), BATIAS, SHIELDS, AVRO/Viking, South Essex Partnership University NHS Foundation Trust (SEPT), Carer and Southend University Hospital NHS Foundation Trust.</p> |
| <p>Apologies:</p>  | <p>Mencap and Hamelin Trust.</p> |
| <p>Rules:</p>  | <p>Everyone introduced themselves and apologies read out.</p> |
| <p>Minutes of previous meeting:</p>  | <p>Agreed by the board members.</p> |
| <p>The Keeping Safe course</p>  | <p>The course was run from April 17th until July 24th 2012 and showed people how to keep safe in lots of ways. A report was done asking what people thought about the course.</p> <p>Some of the favourite sessions were around internet safety and fire safety. People did not like being reminded of things that had happened to them that were bad.</p> |

| | |
|-----------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | <p>There is another Keeping Safe Course being run on 15th January 2013.</p> |
| <p>Leaflets</p>  | <p>Library A leaflet has been made about using the library.</p> <p>A group of 80 people spent a discovery day at the library, which they really enjoyed.</p> <p>It would be useful if an easy read leaflet was made on how to use the new self service system at the library. This is being looked at.</p> <p>My Home Champions A leaflet has been made. This provides support and advice to help to raise people's confidence to move out of the family home or residential care into other types of accommodation.</p> |
| <p>SOS Rainbow Card</p>  | <p>Draft copies of the SOS Rainbow card were handed out at the meeting.</p> <p>People have said that there are too many cards, what with the Health Passport, etc. which can be confusing.</p> |
| <p>Any Other Business:</p>  | <p>There is an open day at Heath Close on Wednesday 24th October that SEPT is providing from 10am until 3pm.</p> <p>On Monday 29th October, Panorama will be talking about the Winterbourne case on the television.</p> <p>There may be an opportunity to visit the Shelford site. The completion date is March 2014. This will be supported/sheltered accommodation for people with learning disabilities.</p> |
