## Phase 1 - Refresh

- Faith communities review and refresh their operating principles ready for each stage, for all their activities
- Educate communities on need to keep going with prevention

- Encourage and facilitate vaccine uptake
- Make contact as a group with their local Director of Public Health to discuss principles

## Phase 2- Adjust

- Ensure they continuously monitor and adjust for changes in local circumstances

## Phase 3 – Exit, Review and Sustain

- Review and adjust iteratively
- Plan for recovery
- Continue to emphasize safe behaviours
