- Schedule 1 of the 2022 Order will be replaced by Schedule 3 of this Order.

Reasons

On street:

A review of parking demand in Zones C and V has identified several underutilised Business Permit Bays. To improve kerbside management and increase parking availability for paying customers, it is proposed that the Business Permit Bays listed in Section 3 be converted to Shared-Use Bays for Permit Holders and Paid Parking.

It has been identified that within Zone H, there are various Business Permit bays that have not been utilised in the last 4 years, as no business permits have been sold for this zone. To effectively manage kerbside space and allow additional parking for residents, it is proposed that the current Business Permit bays detailed in Item 3 of this report be converted to Resident bays.

The proposed amendment to parking on Western Esplanade would better accommodate local businesses and their specific parking needs, supporting economic activity in the area while optimising parking capacity.

Aligning the payment parking times with the permit parking times in Zones CP, CP-1, C, M, SH and V will help to avoid confusion and will eliminate enforcement ambiguity.

The changes proposed to the parking bay outside The Arches would align this parking bay with others in the area helping to avoid confusion and eliminate enforcement ambiguity.

Off street:

The change in staff permit types is part of the broader Work Smart review conducted by the Council. This initiative reflects a commitment to creating a fair and efficient working environment, tailored to the evolving needs of employees.

To ensure proper management and enforcement of the car parks where the new permit types are authorised, they need to be included in the Off-Street Traffic Order.

Statement of Reasons

The Permit (Red) is revoked from use in Civic Centre East Car Park and Staff Permits (Priority Two) introduced. This Permit (Red) was previously assigned for use for one of the corporate tenants based in Civic 2 building, for parking in marked bays in Civic Centre East Car Park. The dedicated bays where the permits were used are to be returned to staff permit holders (Monday to Friday) and made available for all other customers on public holidays and weekends. This is to ensure public use is limited but available for use on public holidays and at weekends in Civic Centre East Car Park.

The introduction of Electric Vehicle bays into the Off-Street Order for every car park, will allow proper management and enforcement of these bays, when it is appropriate to enhance the number available.

Staff parking permits will continue to be provided for all employees who need them as part of the Work Smart Initiative.

Legislation

The specific grounds with which the Council are using for the implementation of the proposals are encompassed in Sections 1, 2, 4, 32, 35, 44, 45, 46, 122 and 124(1)(d) and Part IV of Schedule 9 to the Road Traffic Regulation Act 1984.

In considering whether to make this Order, Southend-on-Sea City Council has had regard to all relevant matters including its responsibility pursuant to Section 122 of the Road Traffic Regulation Act 1984 (as amended), to secure so far as practicable the expeditious, convenient and safe movement of vehicular and other traffic (including pedestrians), and the provision of suitable and adequate parking facilities on and off the highway having regard to the matters specified in Section 122(2).

Equality Act 2010, Section 149

Consideration has been given to the equalities duty of Southend-on-Sea City Council.

Due Regard for Traffic Orders and Notices

The Southend-on-Sea City Council has a duty to give 'due regard to' the following three aims of the public sector equality duty (section 149 of the Equality Act 2010) during the development of the policy.

- Eliminate discrimination, harassment and victimisation and any other conduct prohibited by the ACT;
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it; and
- Foster good relations between people who share a protected characteristic

An initial assessment against each of the protected groups is provided below – any issues highlighted through the consultation process will be considered and reported at the end of the consultation period.
