

SAFETY, HEALTH AND ENVIRONMENTAL INFORMATION

In addition to the hazards/risks normally associated with the types of work detailed on this drawing, note the following significant residual risks

Construction	NONE
Maintenance / Cleaning	NONE
Use	NONE
Decommissioning / Demolishing	NONE

Key:

1. Site Location

2. Install Double Yellow Line

3. Existing Road Marking - to remain

Notes:

- Setting out on site to be agreed with SCC Engineer before works commence.
- Do not scale. This drawing must be read in conjunction with all other contract drawings and associated documents if available.
- All works must comply with the Department of Transport's Specification for Highway Works and associated Standard Construction Drawings.
- All traffic signs and road markings must conform to the Traffic Signs Regulations and General Directions 2016 (TSRGD).
- Unless otherwise specified, road markings must be applied as thermoplastic screed with solid glass beads for reflectivity.
- Length of proposed double yellow line as indicated on plan.
- Repaint DYL where required, as shown on the plan.
- All yellow markings to be 75mm in width.
