SAFETY, HEALTH AND ENVIRONMENTAL INFORMATION

In addition to the hazards/risk normally associated with the types of work detailed on this drawing, rate the following significant residual risks

Key:

1. Area of Interest

2. Proposed Double Yellow Lines

3. Proposed Day Sign

4. Existing Lamp Column

Notes:

- **Setting out on site to be agreed with SCC Engineer** before works commence.
- Do not scale. *This drawing must be used in conjunction with all other contract drawings and associated documents if available.*
- All works must comply with the Department of Transport's Specification for Highways Works and associated Standard Construction Drawings.
- All traffic signs and road markings must conform to the Traffic Sign Regulations and General Directions 2016 (TSRG).
- Unless otherwise specified, road markings must be applied as thermoplastic screed with solid glass beads for reflectivity.
- Length of proposed double yellow line as indicated on plan.
- All yellow markings to be 75mm in width.

No waiting at any time
