S4	642 (S4-2-4)	NO STOPPING ON MAIN CARREGIWAY	76,143.2 MINIMUM	SBS MOSE BASE POST	2	2	600x600	76,143.2 MINIMUM	50.0	0.28	-	-	2100	2100	600x300x300	REFER TO S4 SIGN

## SAFETY, HEALTH AND ENVIRONMENTAL INFORMATION

In addition to the information contained on this drawing, the following information should be read in conjunction with all other contract drawings and associated documents at contract.

- All works must comply with the Department of Transport and Main Roads (TMR) and associated Standard Construction Drawings.
- All traffic signs and road markings must conform to the Australian Road Rules and General Directions 2016 (TSR/GD).
- Street furniture facilities to be installed a minimum of 450mm from the kerb face.
- It is the contractor's responsibility to check the proposed sign locations and ensure that particular attention is drawn to the 'New Roads and Streetworks Act 1991'.
- Install proposed DYL as shown on plan, Diagram Number 1018.1.
- Proposed verge removal and reconstruction as carriageway comprising surface / binder / base / sub-base) to match existing carriageway construction.
- Provide safety bollards at full-height, filled with lightweight retroreflective paint.

## Notes:

- Setting out on site to be agreed with SCC Engineer before works commence.
- Do not scale. This drawing must be read in conjunction with all other contract drawings and associated documents at contract.
